Message: “Worshipping our Triune God”	Pastor Bill Faupel

*I have said many times, the biggest issue to understand as a Christian is how it is that God is one, and is yet at the same time, Father, Son and Holy Spirit. Either we tend to think of God as three different beings, or we focus on one aspect of God almost to the exclusion of the others. In my sermon today I will again attempt to explain my understanding of the Trinity and show why it is important for us to know God in His fullness as Father, Son and Holy Spirit.*

*After his baptism, as Jesus came up out of the water, the heavens were opened and he saw the Spirit of God descending like a dove and settling on him. And a voice from heaven said, “This is my dearly loved Son, who brings me great joy.” (Matthew 3:13-17 New Living Translation)*
